

## INSTRUCTIONS FOR K-1/K-2 VISAS

This office is pleased to inform you that we have recently received the petition I-129F filed on your behalf by your U.S. citizen fiancé(e).

To assist in providing the most efficient customer service and to expedite your K-1/K-2 visa processing, the Consular Section of the U.S. Embassy in Ankara uses a pre-appointment document screening system.

To process a K-1/K-2 visa file and complete the visa interview on the same day, beneficiaries are required to courier their documents via United Parcel Service (**UPS**) to the American Embassy in Ankara. The local UPS phone number is (312) 444 0033. The address of the American Embassy is 110 Ataturk Blvd. Kavaklidere, Ankara 06100 Turkey.

You must send all documents and correspondence via UPS from Turkey or U.S. Your appointment letter or documentation (if it is incomplete) will be returned to you by UPS in 10 working days if your documents are sent from Turkey. If you send items by UPS from United States, we will send your documents back via regular mail, which takes several weeks. You will be responsible for the cost of the return correspondence sent within Turkey by UPS.

The appointment will be scheduled for a few weeks after all documents are submitted.

There are no other alternatives for submitting K-1/K-2 visa documentation. You should follow the instructions below and submit the required forms via UPS.

**STEP 1      For Beneficiary:** Complete forms and obtain required documents listed.

**STEP 2      For Petitioner:** Complete financial information documents.

**STEP 3      For Beneficiary and Petitioner:** Contact your local **UPS** courier all required forms and documents to the Consular Section in the same envelope.

The certificate must state the date and place of birth and names of both parents. For divorces that took place in Iran, applicants must submit the original divorce document - issued by Iranian courts - usually in booklet form. Marriage or birth certificates on which the divorce is registered and translations of divorce documents without the originals are not accepted in lieu of a court-certified divorce decree.

Police certificates from certain countries are considered unobtainable. The consular office will advise you about particular countries to which the police certificate requirement does not apply. Additional details regarding Police Certificates are provided separately in this packet.

7. **EVIDENCE OF FINANCIAL SUPPORT:** K-1/K-2 principal and derivative applicants are subject to [INA 212\(a\)\(4\)](#) and must demonstrate to the consular officer's satisfaction that they will not become a public charge. **PROCESSING OF K-1/K-2 VISAS**

Upon receipt, each application will be reviewed. If the documentation is complete, the U.S. Embassy will schedule an appointment and notify the petitioner and the beneficiary by UPS with an appointment letter. If the documentation is incomplete, the entire packet will be returned without action to the sender via **UPS** within 10 working days. A checklist indicating the additional information will accompany the returned documents. As mentioned above, the applicants will be responsible for the cost of the return correspondence sent within Turkey by UPS and if the documentation was received by UPS from United States the return correspondence will be sent back via regular mail, which takes several weeks. Applicants who do receive an appointment letter should arrive promptly for their scheduled interview.

Some Turkish applicants and all Iranian applicants require extensive security checks prior to issuance of the visa. These checks generally take between six to eight weeks or longer. No visa can be issued until all clearances are received.

Once everything is in order, the K1/K2 visa will be issued and sent to the beneficiary's address in Turkey via **UPS**.

**INTERVIEW**

At the time of your final K-1/K-2 visa interview, you must submit your medical report, the receipt for the \$100 K-1/K-2 visa fee which should be paid to a FORTIS branch and two K-1/K-2 visa photographs.

1. **RECEIPT:** The fee for K-1/K-2 visa is \$100.00 per person. The fee must be deposited at any branch of FORTIS before the interview. The closest FORTIS to the Consular Section is located at Paris Caddesi, No: 34/B Kavaklıdere, Ankara. Please do not send the \$100 FORTIS receipt this office before your interview. You will be required to submit this receipt to this office at the time of your interview.

Applicants who come for their interviews without a FORTIS receipt for \$100.00 will not be accepted. This may cause a delay in the processing of immigrant visas.

2. **MEDICAL EXAMINATION:** Before their final immigrant visa interview, all applicants are required to undergo a medical examination performed by one of several medical doctors authorized by this Embassy to administer the examination. Beneficiaries are responsible for making their own arrangements for the medical examination with any of the physicians listed on the attached medical information sheet. The beneficiary is also responsible for the cost of the examination. A medical examination is also required for each accompanying child.

**Do not send the results of your medical examination to this office before your interview.** You will be required to submit your medical report to this office at the time of your interview. Do not bring x-ray film to the Embassy.

## **MOST IMPORTANT**

No assurance can be given in advance that a visa will be issued. A consular officer can make a decision only after the formal application and all documents are reviewed, and that officer has personally interviewed the applicants.

**IMPORTANT:** Beneficiaries should not make any travel arrangements for departure, dispose of personal property or make other life changes until the visa has been issued. A K-1/K-2 visa is usually valid for a maximum of six months from the date of issuance. Applicants must travel and apply for admission to the United States within that 6-month period.

This office will make every effort to expedite the process. However should complications arise, applicants may be required to return to this office or furnish additional information.

Any child age 16 or older who is included on his or her parents' passport but whose photograph is not included in such passport, must obtain a separate passport.

### IMPORTANT NOTICE CONCERNING VACCINATION REQUIREMENTS

United States Immigration Law requires immigrant visa applicants to obtain certain vaccinations (listed below) prior to the issuance of an immigrant visa. Instructions and procedural guides direct panel physicians who conduct immigrant visa medical examinations to verify that applicants have met the vaccination requirement, or that it is medically inappropriate for the visa applicant to receive one or more of the listed vaccinations:

*Mumps, Measles, Rubella, Polio, Tetanus and Diphtheria Toxoids, Pertussis, Influenza Type B (HIB), Hepatitis B, Varicella, Pneumococcal, and Influenza.*

In order to assist the panel physician, and to avoid delays in the processing of an immigrant visa, all immigrant visa applicants should have their vaccination records available for the panel physician's review at the time of the immigrant medical examination. Visa applicants should consult with their regular health care provider to obtain a copy of their immunization record, if one is available. If you do not have a vaccination record, the panel physician will work with you to determine which vaccinations you may need to meet the requirement. Certain waivers of the vaccination requirement are available upon the recommendation of the panel physician. Only a physician can determine which of the listed vaccinations are medically appropriate for you, given your age, medical history and current medical condition.

If you are fifteen (15) or older, a blood test for antibodies developed in response to infection by the Human Immunodeficiency Virus (HIV) is required. HIV is the virus that causes the Acquired Immune Deficiency Syndrome (AIDS). AIDS is the name given to a group of illnesses, which may occur in persons infected with HIV. HIV infection causes a defect in a person's natural immunity against disease. Victims are highly vulnerable to serious illnesses. This test is not to diagnose AIDS, but to detect antibodies to the virus. If the result is positive, it does not necessarily mean that you have AIDS or will get it. The results of your test will be provided to a consular officer. Also, it may be necessary to report results to the health authorities in this country. A positive test result will mean that you will not be eligible to receive a visa. A positive test result may also carry other consequences related to your day-to-day activities in this country.

## POLICE CERTIFICATE

Police certificates are required for each visa applicant aged 16 years or older. Generally, you must apply for these certificates directly from police authorities in the district in which you reside. You must submit a police certificate from the country in which you currently live (if you have lived there for more than six months). If you lived in a different country for more than 12 months after the age of 16, you must also submit a police certificate from that country. If you were arrested or convicted of a crime in a country, regardless of your age at the time the crime took place, or how long you resided in that country, you must submit a police certificate from that country. The police certificate must cover the entire period of the applicant's residence in that area, and state what the appropriate police authorities records show concerning each applicant, including all arrests, the reason for the arrest(s), and the disposition of each case in which there is a record.

Present and former residents of the United States should NOT obtain police certificates covering their residence in the U.S.

**Police certificates are required from Turkey.** Turkish nationals should contact the closest "Cumhuriyet Savcılığı" (Public Prosecutors Office) to obtain Turkish police certificates. Police Certificates from Turkey are known as "Adli Sicil Kaydı". **IMPORTANT: When requesting the police certificate (adli sicil kaydı), applicants must specifically request that both the current and archived records be shown on the document.**

**Police certificates are not required from Iran,** or any country on the following list:

<b>AFGHANISTAN</b>	<b>IRAN</b>	<b>SOMALIA</b>
<b>BANGLADESH</b>	<b>IRAQ</b>	<b>SUDAN</b>
<b>BULGARIA</b>	<b>LIBYA</b>	<b>TAJIKISTAN</b>
